

West Earlham Junior School is a two-form entry Junior School in Norwich.

We have high aspirations and ambitions for our children and believe all children can succeed in their learning. We strongly believe that it is not where you come from, but your passion and thirst for knowledge and your own commitment and hard work that makes the difference between personal and academic success and failure. Our school values are to develop the dispositions of motivation, aspiration, independence, confidence, positivity, creativity and adventurousness in all our learners. We are determined to ensure that our children are given every chance to succeed and make excellent progress.

Our key objective in using the Sports Premium Grant in 2017 -18 is to introduce new opportunities and sports to pupils within the school and ascertain how much physical activity is undertaken during PE lessons. We are also determined to sustain the opportunities children have to take part in competition by continuing clubs and membership of the Sports partnership, and continue to develop teachers' skill further – including opportunities for midday supervisors.
