Dear Parents and Carers,

“Star of The Week” cooking has always been a firm favourite amongst children, parents and staff. We love how many parents come in to join their children and celebrate their success.

We have been reviewing how we do “Star of The Week” celebrations, because some changes in staffing and budget have begun to make it trickier to organise. We want to make sure that we keep it, as it so popular. So we worked together to find a way to do this. We have decided that we want to make more of the parental participation. At the moment, a lot of the fun is over before you get there! So from now on, **the session will run from 2pm**, and parents will be invited in from the start.

You will spend the time with your child decorating cakes that are ready to go, as well as having a drink and a chat. Once they are decorated, there will be time to sample a few and the children can deliver them round to their teachers. Children (and siblings) can then leave early, taking your stash of cakes away with you.

We look forward to seeing you there,

Yours sincerely,

Mrs Parry-Jones and Mrs Plowman
