

Free School Meals

IMPORTANT MESSAGE

Please read the message below:

This message comes from the government. As far as we are aware this has not happened to any of our parents.

Please be very careful when responding to emails. The school will NEVER ask you for your bank account details by text or email.

Be aware of scam emails

We have been informed that some parents have received an email stating the following: 'As schools will be closing, if you're entitled to free school meals, please send your bank details and we'll make sure you're supported'.

We can confirm that this is a scam email and is not official. We urge parents that if you receive any emails like this, please do not respond, and delete it immediately.

As the situation of social distancing continues the system for providing free school meals may change. The school will let you know if any changes are happening.
