

Dear Parents and Carers,

Firstly a huge Welcome to Year 6!

The children have come into school and settled really well. All week we will be doing activities to help them settle in and get used to new routines. Our priority is to make sure the children are settled, confident and happy.

Thank you for helping your child settle by making sure they have a coat and a lunchbox with them every day. They won't need anything else with them. Please remind your child not to bring in pencil cases. They have all the equipment they need in school.

Children have a water bottle in school, which is washed and refilled every day.

If your child is going to be away from school for any reason please phone the school office on [\(01603\) 454569](tel:01603454569) to let them know. The school office opens at 8:00am.

PE day is Wednesday, so on Wednesdays please send your child to school in their PE kit. They can wear a sweatshirt and joggers when the weather is cold. Please also remember their coat!

Home Learning:

As we cannot send things home in the same way we used to this half term we are sending home a booklet of activity ideas linked to the work we are studying in school. Please spend some time at home helping your child complete the activities. We would love to receive photographs of their finished work.

There are also many resources on the school website: wejs.co.uk in the learning section. Please do have a look.

MyON Over the next couple of weeks we will be getting your child up and running with an online reading platform called MyON. This will mean that they have access to lots of books to read at home even though we cannot send real books home at the moment. Please look out for further information.

Learning This Term:

This term year three will be learning about life in the Tudor period.

We will be finding out about life in Tudor times, the tudor monarchs, explorers and Shakespeare. We are going to investigate the possible reasons the Mary Rose sank before building a wooden replica and testing our theories. We hope to publish our findings online.

If you would like to research the Tudor period at home we would be very pleased to hear about what you have found out!

Warm wishes to you all.

The Year Six Team; *Mr Atkinson, Mrs Narayn, Mrs Stanners, Mrs Smith, Mr Burroughs, Mrs King*
