Dear Parents and Carers,

Edenred Vouchers

I am pleased to let you know that vouchers for food shopping will be provided to eligible families from the week commencing 25th January 2021.

Fresh food boxes will still be available on Monday 18th January for those families who have opted to receive one. Whilst the fresh food boxes have been successful, we acknowledge that for some families it is easier to purchase groceries at their local supermarket or online.

The vouchers will be for £15 per week per child eligible for free school meals and will be sent on a weekly basis.

Please contact the school office by Tuesday 19th January 2021 if any of the following details have changed:

- If you would like to change the way you receive your vouchers. You can either receive them by email or have a printed voucher.
- If you have changed your email address since we sent out the vouchers in December.
- If you receive printed vouchers and you would like to change your choice of shop.

Thank you for your continued support

Yours sincerely
