

YEAR THREE WEEKLY HOME LEARNING

Reading - Please read every day! Your child should read at least 3 times a week. A book will be in their bookbag and reading available on MyOn online.

Maths - Please help your child count forwards and backwards in steps of 1, steps of 2, steps of 5, 10 and 100. Please help your child learn the 3 and 4 times tables, and revise the 2, 5 and 10 times tables.

Spelling - Your child will be given a list of spellings to learn each week.

Please help your child by making sure they have a quiet space to complete their home learning weekly tasks and helping them remember which day to bring their work in to school.

Projects and Activities to do at home.

YEAR THREE LEARNING TOGETHER AUTUMN TERM 2021 BUILDING COMMUNITIES

WHAT IS THE IMPACT OF STAYING ON ONE PLACE?

Have a look at the activities and complete some at home.

HOME LEARNING PROJECTS FOR THE AUTUMN TERM

Make a mammoth

You could use junk modelling materials. Be creative with coverings: paint, fur, materials or strips of paper.

Create your own prehistoric Cave Paintings at home. Check out [what Stone Age humans included in their Cave Paintings & how they were made here](#) then give it a go yourself.

Make your own Stone Age axe.

Using newspaper and paper mache, form your sharp rock and stick. Then combine together and decorate using paint and twine.

Find the full directions to [make your own Stone Age axe here.](#)

Stone Age Jewellery

Make your own Stone Age jewellery using salt dough and twine.

Using salt dough you can shape your beads into animal teeth, bones or even shells. Don't forget to decorate it with paint or carve a design on to your beads.

Find the full directions on [how to make your Stone Age jewellery here.](#)

Create a stone circle

Neolithic man often created stone circles. Nobody is certain why!

Make bread (without yeast!)

As we know, a lot of the food eaten in Neolithic times was ground up into bread flour and made into bread.

Why not try this recipe: [Making bread Youtube video](#)

Write a diary as a Neolithic person living in Skara Brae.

Think about the sort of thing you would do each day, such as gathering nuts, berries and seeds. Perhaps you and a group might go hunting. Maybe you can use the animal hide to make clothes or a roof for your house. During the day, you might create a cave painting on the walls.

Enjoy taking part in the projects throughout the term. Please bring them in to share with us when you have finished them, We will be sharing the whole term's work on our website later!
