Sports Week 2022

Friday 13th May 2022

Dear Parents and Carers,

Sports week is fast approaching and we have a treat for you!

From **Monday 20th June until Friday 24th June**, children at West Earlham Junior School will spend the week participating in a variety of sports and activities led by school staff and external coaches. Activities include roller skating led by Skate Norfolk, rugby led by Wymondham Rugby Club and Athletics led by CONAC as well as quidditch, cricket, orienteering, sportshall athletics plus many more. There will also be a range of classroom based activities.

Your child will need to come to school in their PE kits every day.

Sports Day 2022

Topping off the week, on **Friday 24th June** we will be celebrating our Sports Day. This year, parents and carers and other spectators are welcome to come and watch. The event will start at **1:30pm** and will finish at approximately **3:00pm** when children can be collected early from their external classroom doors.

Children will be split into three teams and take part in a carousel of activities before ending with a series of running races.

Children will need to come to school ready for PE wearing their team's colours, red, blue or white (children will be told what team they are in prior to the day).

We are looking forward to seeing you!

Working Together, Achieving Excellence
