

Learning Together in Year 5 – Summer Term

# Powerful Monarchs- The Impact of Enclosure and Ketts Rebellion

In the summer term, our learning is focused on the impact of land enclosures within Norfolk and how local landowner, Robert Kett, stuck up for the peasants, leading to a famous revolt in the 16th century.

Our Key Inquiry Question is:

**How can one person make a big difference?**

**In history we are learning:**

- About the impact of land enclosure on the people of Norfolk.
- About Robert Kett, a local gentleman, and how he attempted to make life better for the local people.
- About the uprising in Norfolk known as 'Kett's rebellion'.

[History of Kett's Rebellion](#)

[Kett's Rebellion](#)

Kett's Rebellion took place in the summer of 1549.

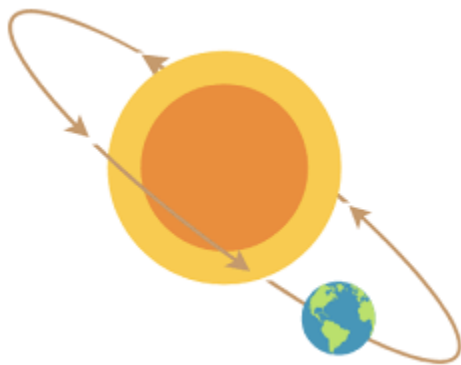

It started off in Wymondham after a small group of peasants got together to protest against rich robber barons who had stolen the common land, leaving the peasants to starve.

Led by Robert Kett, the peasants marched 10 miles into Norwich and gathered on Mousehold Heath, attracting the support of the poorer people of Norwich.

## Science

### Earth and Space.

#### We are learning to:

- Describe the movement of the Earth and the other planets, relative to the Sun in the solar system.
- Describe the movement of the Moon relative to the Earth.
- Describe the Sun, Earth and Moon as approximately spherical bodies.
- Use the idea of the Earth's rotation to explain day and night and the apparent movement of the sun across the sky.

### [Earth and Space - BBC bitesize](#)

Watch these clips to help you understand why we have day and night!

#### [Day and night](#)

### [How to make a model of Earth's orbit of the Sun](#)

## Design and Technology- Cooking and Nutrition

In cooking we are making macaroni cheese.

We are learning how to bake pasta and make a cheese sauce.

Here are a few recipes you can try at home

[BBC Macaroni cheese](#)

[BBC Macaroni cheese and bacon](#)

[Easy Peasy Macaroni Cheese](#)

## Geography

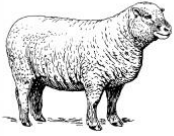

In geography we are studying human and physical geography:

- How the land of the UK has changed its use over time.
- The different types of settlements that have developed over time.
- How to use maps and four figure grid references to locate significant places in Norfolk.

The points of a compass including (north,north east, east, south east, south, south west and west).

[BBC Bitesize Maps](#)

Learn about the wool industry and how that affected our local area across time. [The Wool Industry](#)

## ART: Friedensreich

### Hundertwasser

In art we are studying the landscape paintings of Hundertwasser. We will be developing our painting skills as well as sketching the landscape of Norwich on a visit to Kett's Heights.

[Hundertwasser Facts for Kids!](#)

## Spelling:

This term we are learning year five words from the national curriculum spelling list.

Head to Purple Mash/English/SPAG/Spelling Resources year 5 for lists that they can practise. Pupils know their logins. [Purple Mash](#)

## Maths

Times Tables: In year 5 children should know all their times tables to 12 and the division facts. We use SumDog and Times Tables Rock Stars in class to help recall times tables. You can access SumDog and Times Tables Rock Stars at home to practice your times tables knowledge.

Use this link to get to the the SumDog site: [SUMDOG](#)

Use this link to get to the the Times Tables Rock Stars site: [Times Tables Rock Stars](#)

[Hit the Button](#): Great for rapid recall.

Have a look at this BBC Video about decimals: [What are decimals?](#)

## RE

In RE we are learning about Humanism and understanding connections between other belief systems.

[Understanding Humanism](#)

## Reading

Children can continue to access MYON, a reading website that has books to suit their interests:

[MYON Reading Website](#)

## We have two class authors this term:

### Michael Morpurgo

Michael Morpurgo has written many books, some set in Cornwall and some stories about evacuees during WW2. We have many of his stories in our class library for children to explore.

**Michael Morpurgo says:** I was born a really long time ago. 5th October 1943. In St Alban's in Hertfordshire, although I was evacuated to Northumberland when I was little with my brother, away from the bombs. Later, I went to primary school at St Matthias in the Warwick Road, then I was sent off to boarding

school in Sussex – the Abbey, Ashurst Wood. I was there for six years, hated being away from home but loved rugby and singing.

Michael Morpurgo has written many books, some set in Cornwall and some stories about evacuees during WW2. We have many of his stories in our class library for children to explore.

Have a look at Michael's website for more information and ideas:

## Michelle Paver

Michelle Paver: is a novelist that is best known for the six books that make up The

Chronicles of Ancient Darkness. She was born in 1960 in

Malawi in Africa to a South African father and a Belgian

mother. Her father ran and wrote for the local newspaper and her mother was a journalist too.

The Paver family left Africa in 1963 and moved to England. Michelle writes fantasy books for children, even though her books were rejected at first there was sufficient encouragement shown to keep the dream alive.
