HOME LEARNING PROJECTS FOR THE SUMMER TERM

Take a walk. What landscapes can you see?
You could take pictures of different landscapes and send them through Google Classroom.

Recount the story of Robert Kett. You could write this for the front page of a newspaper.

Create a paper weave using the link below. Can you do the same but with spare fabric?

[How to make a paper weave.](#)

Can kindness and love change the world?

Discuss with someone at home. Do you have the same answer or a different one?

Make a mnemonic to remember the order of the planets.

Example: **My** (Mercury) **Very** (Venus) **Easy** (Earth) **Method** (Mars) **Just** (Jupiter) **Speeds** (Saturn) **Up** (Uranus) **Nothing** (Neptune).

Create a meal that includes a carbohydrate and a protein.

What other types of food can you put into your dish?

Can one person make a big difference?

Draw a picture of one person in your life that has made a difference to you.

We hope you enjoy taking part in the projects throughout the term. Please bring them in to share with us when you have finished them. We will be sharing the whole term's work on our website later!
