HOME LEARNING PROJECTS FOR THE SUMMER TERM

YOU CAN FIND THESE ACTIVITIES IN THE LEARNING SECTION OF OUR WEBSITE

Design and make a Viking longship with a sail. Do you think that your viking ship can actually float?

[Make a Viking Ship](#)

Revisit your cooking learning from Autumn and Spring terms. Can you make a Spaghetti Pomodoro or Roast chicken with a bread roll?

Design and make Viking weapons. Use recycled materials like boxes, wood and tin foil.

Write a diary of a Viking sailor exploring the oceans. Where will they travel? Will they discover Iceland, Greenland or North America? Write in the 1st person, draw sketches of what you see

Day 1: Today was emotional as we finished loading the ship with supplies before setting sail.

Draw your own picture of the Northern lights (Aurora borealis) that the vikings might have seen.

[The Northern Lights](#)

Draw a picture of a viking warrior or shield maiden. Describe what they are like and what brave and fierce qualities they have.

Create a poster about vikings and their way of life. Use the BBC bitesize website to find lots of interesting facts.
